## ABOUT THE SOCIETY

Progressive Education Society was established in the year 1934 by Prof. Shankarraoji Kanitkar, who was a veteran teacher and a social worker. The society was established with an aim to provide education to all sectors of the community. Today, P. E. Society is headed by Hon. Dr. G. R. Ekbote who is the Chairman of Business Council of Progressive Education Society. Under his able guidance, P. E. Society is running 58 institutes including schools, colleges and technical institutions imparting quality education from K. G. to Ph. D in the field of Pharmacy, Engineering, Law, Education, Agricultural Biotechnology and Management. The society is committed for the cause of the people since its inception.

## ABOUT THE COLLEGE

Modern College of Pharmacy was established in 1998 by P. E. Society at Yamunanagar, Nigdi in the close proximity of the industrial belt of Pimpri - Chinchwad. The name of Society and that of our college typifies the Society's mission to be "Progressive" in education and "Modern" in technical knowledge. The college has carved out a special niche for imparting quality education in pharmacy. Our College is approved by Government of Maharashtra (DTE), All India Council for Technical Education (AICTE) and Pharmacy Council of India. It is permanently affiliated to Savitribai Phule Pune University. College is accredited by NAAC and recognized under 2f and 12(B) by UGC, New Delhi. Under the able leadership of Principal Dr. P. D. Chaudhari, college offers B. Pharmacy, Pharm. D, M. Pharmacy (Pharmaceutics, Pharmaceutical Chemistry, Pharmacology & Pharmaceutical Quality Assurance) and Ph. D in Pharmaceutics, Pharmaceutical Chemistry and Pharmacology. The college has secured All India Rank 41 in NIRF Ranking 2017 in Pharmacy Category. The college has been awarded as "Best College in Professional Colleges' Category" by Savitribai Phule Pune University in 2015-2016.

## SCOPE OF CONFERENCE

Most of the time complicated research problems cannot be solved by a particular discipline and it necessitates the collaboration of people of diverse expertise across a range of discipline together to achieve the research goal. By making a collaborative team of multidisciplinary experts it becomes conceivable to think beyond the routine knowledge. So, multidisciplinary research connects the members of diverse expertise to solve a particular research problem. This conference hopes to bring people of diverse backgrounds such as pharmaceutical, biotechnological, medical etc. on a common platform to discuss the opportunities for multidisciplinary collaborative efforts to provide affordable and excellent healthcare services. It also aims to unveil breakthrough technologies in healthcare research.

## OBJECTIVES OF CONFERENCE

- To provide an insight into multidisciplinary aspects of healthcare research
- To provide a platform for participants for gaining/ exchanging ideas in healthcare research
- To motivate participants for multidisciplinary collaborative healthcare research

## REGISTRATION

The conference is mainly for the teachers, PG & Ph. D scholars from various institutes, research laboratories and industry of pharmaceutical, medical, Ayurvedic, biotechnological and other streams of healthcare profession.

## Poster / Oral Presentation
