### Mechanism for Redressal of Ragging cases

Mechanism of Redressal of students' grievances regarding Ragging cases. The Institution has a transparent mechanism for timely redressal of students' grievances for including sexual harassment and ragging cases. The students submit their grievances either directly to the Principal or to the IQAC by dropping their grievances in the complaint and suggestion boxes placed in all academic blocks of the institution. The students' grievance Cell then brings the grievances to the IQAC office where the grievances are addressed by a committee which include the Principal, the IQAC Co-ordinator and the IQAC member who is in charge of students' grievances and anti-ragging cell. To address the various gender based issues that are prevalent in our society today, the college has set up the Anti-ragging cell for prevention of Sexual Harassment and ragging cases under the guidance and supervision of the Principal. In compliance with the directives of the Hon'ble Supreme Court of India and the UGC regulations on curbing the menace of ragging in Higher Educational institutions, 2009, the College has formed the Anti-Ragging Committee, Cell and squad for overseeing the implementation of the provisions of the verdict
