

PES Modern College of Pharmacy, Nigdi, Pune-44

LIST OF PUBLICATIONS IN CONFERENCES/ SEMINARS/ PROCEEDING

(2009-10 to 2014-2015)

Sr no	AUTHORS NAMES	TITLE OF PAPER	NAME OF CONFERENCE	VO L U ME	YEAR	PAG E NO
1	Ms.M.S.Kamble	Formulation & evaluation of mouth melting dosage form of amlodipine besylate	Pune university sponsored regional conference for pune university collage teacher		2009-2010	
2	Ms.A.R.Balap	Development & validation of HPLC method for simultaneous estimation of valsartan & ramipril in bulk & dosage form.	Pune university sponsored regional conference for puneuniversity collage teacher.		2009-2010	
3	U.C.G.Galgatte,P.D. Choudhari	Comparative study on technical quality & their market population of some marketed antacid preparation.	AVISHKAR		2009-10	
4	U.C.Galgatte, P.D.Chaudhari	Study on requirement of bioequivalence for registration of pharmaceutical products various countries.	Indian pharmaceutical congress	2	2009-2010	J-2
5	P.N.Sable	Design synthesis & biological evaluation of derivatives of 2 phenyl quinoline 4 carboxylic acid as potential antibacterial & antiviral adents.	Regional conference for pune university collage teacher		2010	
6	U.C.Galgatte	Study on registration of generic finised formulation in USA	PHARMA VISION 2020		2009-2010	J-3

7	M.A.Phanse	Studies of hematological parameter of hemiparasite dendrophthoe falcate linn stem (loranthaceae)parasitic on mangifera indica	Indian pharmacogncy		2009-2010	379
8	P.S.Uttekar	Design & evaluation of novel floating pulsatile drug delivery system using press coating technology	Amrutvahini collage of pharmacy sangamner		2010	
9	U.C.Galatte	Preparation & invitro evaluation of bioadhesive microspheres of antidiabetic drug.	Regional research competition for teacher		2010	
10	M.T.Harde	Establishment of inherent stability indicating assay method for antimalarial drugs	Amrutvahini collage of pharmacy sangamner.		2010	
11	Mr.V.V.Chopde	Formulation & evaluation for self emulsifying drug delivery system of meloxicam.	Regional conference for pune university collage teachers		2009-2010	
12	Mr.Bhusan P.Pimple	Phytochemical & pharmacological investigations of herbs for the treatment of ulcer in diabetic rats	Regional research conference INNOVATION		2010-2011	69
13	Mr.Bhushan P.Pimple	Phytochemical & pharmacological investigations of herbs for the treatment of ulcer in diabetic rats.	Regional research conference INNOVATION		2010-2011	D-12
14	Mr.P.N.Sable	Design synthesis & biological evaluation of quinoline derivatives as potential antibacterial agents	Regional conference for pune university teachers		2010-2011	
15.	Dr.P.D.Chaudhari,P.	Preparation	3 rd national		2010-	88

	S. Uttekar, V.L.Gaikwad	,evaluation & optimization of ibuprofen sustained release granules by granulation technique: effect of variables.	symposium on frontiers in drug discovery & process research.		2011	
16	Dr.P.D.Chaudhari, V. L.Gaikwad	Effect of polymer & cross linking agents ration on drug release kinetics of microsphere.	3 rd national symposium on frontiers in drug discovery & process research.		2010-2011	100
17	Uttekar pravin shantaram	Preparation & evaluation of liquisolid tablet by using celite a nanoporous material effect of variables.	Regional research conference		2011-2012	
18.	P.D.Choudhari	Design & evaluation of novel floating pulsatile in drug delivery system using press coating technology	Regional research conference		2011-2012	
19	Mr.A.A.Phatak	Formulation & development of NLC based topical delivery of anti inflammatory drug.	Regional research project presentations		2011-2012	
20	Mr.A.A.Phatak	Formulation development of nanogel for topical application	National seminar on nanotechnology nanoscience & nanoengineering & application		2011-2012	
21	Mr.M.S.Kamble	Formulation & evaluation of mouth melting dosage form of amlodipine besylate	Pune university BCUD sponsored		2011-2012	
22	Mr.U.C.Galgatte	Preparation & in vitro evaluation of bioadhesive microsphere of antidiabetic drug	Pune university BCUD sponsored		2011-2012	
23	Mr.U.C.Galgatte	Effect of additives on poloxamer 407 gels	National conference		2011-2012	
24	Ms.A.R.Balap	Development &	Pune university		2011-	

		validation of RPHPLC method for simultaneous estimation of valsartan & ramipril in bulk & dosage form	sponsored confreence		2012	
25	Ms. M.T.Harde	Estiablishment of inherent stability indicating assay method for antimalarial drugs.	Regional conference for pune university collage teacher		2011-2012	
26	B.P.Pimple	Phytochemical & pharmacological investigation of herbs for in treatment of ulcer in diabetic rats	Regional research conference for collage teacher of collage affiliated to university of pune.		2011-2012	40
27	Nipate sonali s.	Evaluation of antiarthritic potential of scorpion & bee venom	The regional research conference		2011-2012	
28	Purohit Angira G.	Formulation & evaluation of sustained release dental drug delivery system	The regional research conference		2011-2012	
29	Mr.P.N.Sable	Design synthesis & biological evaluation of derivatives of quinoline as potential antibacterial agents	The regional research conference		2011-2012	
30	Mr.A.A.Phatak	Formulation & development of NCL based topical delivery of anti inflammatory drug	Regional research conference		2012-2013	13
31	S.S.Nipate	Pharmacological evaluation & antiarthritic activity of scorpion & bee venom	For board of collage & university development (BCUD)		2012-2013	36
32	Purohit Angira G.	Formulation & evaluation of sustained release dental drug delivery system	The regional research conference		2012-2013	14

33	Uttekar pravin shantaram	Preparation & evaluation of liquisolid tablet by using celite a nanoporous material effect of variables.	Regional research conference		2012-2013	
34	Mr.A.A.Phatak	Development & evaluation of niosomal gel of tramadol for transdermal application	International conference of emerging trends in chemical & pharmaceutical science		2013-2014	79
35	Dr.S.Pimple	Formulation & evaluation of lipospheres of lopinavir & ritonavir	Regional research conference sponsored by university of pune & board of collage & university development		2013-2014	
36	Dr.D.D.Bandawane	Study of antihyperglycemic effect of punica granatum leaves in induced diabetic rats	Regional research conference sponsored by university of pune & board of collage & university development		2013-214	
37	Bhushan P.Pimple	Isolation of ethyl - 2-[5-(acetyloxy)pentyl]benzoate from origanum majorana linn & its evaluation in the management of diabetes.	university of pune & board of collage & university development		2013-2014	105
38	Bhushan P.Pimple	Comparative gastroprotective effect of ethyl acetate & chloroform fractions of origanum majorana in aspirin-induced ulcers in diabetic rats	3 rd euro-india international conference on holistic medicine (ICHM)		2013-2014	IL-27
39	Mrs.M.C.Kuchekar	Isolation of ethyl - 2-[5-(acetyloxy)pentyl]benzoate from origanum majorana	BCUD , University of pune		2013-2014	

		linn & its evaluation in the management of diabetes.				
40	Dr.D.D.Bandawane	Development of Quality standards for Indian medicinalplants.	B.V.D.U.Pune & society for ethnopharmacology (SFE) INDIA		2014-2015	
41	Kedar kalyani .A	GCMS Analysis, determination of total phenolics , flavonoid content & free radical scavenging of ethyl acetate extract of barks of putranjiva roxburghii wall(euphorbiceae)	1 st international conference on novel frontiers in pharmaceutical & health sciences		2014-2015	
42	Ms.S.S.Nipate	Antidepressant activity of spilanthus oleracea with potential effect in chronic fatigue syndrome.	Regional research conference		2014-2015	
43	Dr.D.D.Bandawane	Study of antihyperglycemic effect of punica granatum leaves in experimentally induced diabetes in rats	Regional conference for collage teachers sponsored by BCUD ,University of pune		2014-2015	
44	A.A.Phatak	Development & evaluation of clay polymer nano composite for oral sustained release of drug	Regional research conference		2014-2015	
45	Dr.S.B.Jadhav	Synthesis & biological evaluation of some aryloxypropanolamine derivatives.	Regional conference for collage teachers sponsored by BCUD ,University of pune		2014-2015	
46	Dr.S.Pimple	Formulation & evaluation of liposphere of lopinavir & ritonavir	Regional conference for collage teachers sponsored by BCUD ,University of pune		2014-2015	
47	Kedar kalyani .A	Phytoconstituents of tecoma gaudichaudii dc for	Regional conference for collage teachers sponsored by BCUD		2014-2015	

		the management of diabetes.	University & sinhgad collage of pharmacy, vadgaon			
48	Bhushan P.Pimple	Isolation of ethyl - 2-[5-(acetyloxy)pentyl]benzoate from <i>origanum majorana</i> linn & its evaluation in the management of diabetes.	BCUD , University of pune		2014-2015	49
49	Ms.S.S.Nipate	Antisnake venom activity of ethanolic extract of fruit of <i>piper longum</i> (L.Piperaceae) against russells viper venom	2 nd international congress of society for ethanopharmacology		2014-2015	145
50	Mr.P.N.Sable	Application of biotechnology in modern pharmacognosy	Report of quality improvement program		2014-2015	
51	Bhushan P.Pimple	Isolation of ethyl - 2-[5-(acetyloxy)pentyl]benzoate from <i>origanum majorana</i> linn & its evaluation in the management of diabetes.	Report of innovation		2014-2015	105
52	D.D.Bandawane	Study of antihyperglycemic effect of <i>punica granatum</i> leaves in induced diabetic rats	Regional conference for collage teachers sponsored by BCUD ,University of pune		2014-2015	
53	Mrs. K. A.Kedar	Chromatographic finger print analysis of flavonoids of <i>helicanthus elasticus</i> DEDR Loranthaceae linn parasitic on different host species	National conference on emerging trends in chemical science		2014-2015	
54	Mr.A.A.Phatak	Use of nanoclay in formulation development of	66 th Indian pharmaceutical congress		2014-2015	

		controlled delivery of peptide drug				
55	Dr.S.B.Jadhav	Development & validation of stability indicating HPLC method for simultaneous determination of ofloxacin & flavoxate hydrochloride	66 th Indian pharmaceutical congress		2014-2015	
56	Dr.D.D.Bandawane	Nephroprotective potential of ethyacetate reaction of punccagratum leaves in streptozotocin induced diabetic nephropathy in rats	66 th Indian pharmaceutical congress		2014-2015	
57	Ms. M.C.Kuchekar	Anti inflammatory activity of modified compound mediated through enzyme inhibition	Pharmacovigilance young researchers forum		2014-2015	
58	DR.S.S.Pimple	Formulation & evaluation of lipospheres for antiretroviral therapy treatments	APTICON 2014		2014-2015	
59	Mrs. P.M.Patil	Stability indicating HPLC method estimation of flupirtine maleate in the bulk drug & pharmaceutical dosage form.	National convention		2014-2015	

Total = 59
