TRAINING AND PLACEMENT CELL

The Training and Placement Cell is an integral part of this college. The college has provided adequate infrastructure for effective functioning of the cell. In fact, Training & Placement activities are organized throughout the year with a view to prepare the prospective learners for the campus selection programs.

It is heartening to state that reputed industries across the country visit this college for campus recruitment programs. However, cell maintains good rapport with all industries for effective recruitment. The cell also plays a vital role in bringing the students and industrial community together for a mutually satisfying employment relationship.

The cell plays a crucial role in counseling and guiding the learners of the college for their successful career placement which is an important interface between the stages of completion of academic program of the students and their entry into the suitable employment.

The Training and Placement Cell is constituted as under

Dr. Mrs. Karimunnisa Shaikh	Training & Placement Officer
Dr. Mrs. Minal Harde	Training & Placement cell
Dr. Mr. Devendra Visokar	Training & Placement cell
Mrs. Nikita Gaikwad	Training & Placement cell
Mrs. Nikita Kale	Training & Placement cell
Mr. Shivaraj Mane	Training & Placement cell
Ms. Surbhi Gupta	Training & Placement cell
Dr. Mayuri Khaparde	Training & Placement Cell

Responsibilities of Training and placement committee:

- To communicate with various pharma industries to place the students for training purpose as per university core structure.
- To collect training report and training certificate.
- To arrange workshops/ lectures/ seminars regarding career guidance.
- To make consistent rapport with various recruiters for exploring the availability of jobs
- To invite recruiters for on-campus interview of prospective students.
- To put additional efforts for the off-campus placement of such students who are not selected on- campus.
- To maintain the record of placement of students.
- To collect the feedback from the employers and make additional efforts to bridge the gap between curriculum and industry requirements.

Objectives of Training and Placement Cell:

Having entrusted the above responsibilities, the Training and Placement Cell of our college has set the following objectives:

- To prepare and train aspiring learners to face campus recruitment by providing them exhaustive training with relevance to communication skills, aptitude test, demeanor, comport and overall development for personal & professional grooming.
- To arrange guest lecture of industrial experts to update and upgrade learners with hands on experience in the wake of ever changing dimensions of professionalism.
- To mould and blend aspiring learners to mitigate industrial or corporate needs
- To make concerted and consistent efforts to enhance employability through campus placements.
- To equip aspiring professionals to make them job-ready for all spheres of pharmaceuticals.

Activities of Training and Placement Cell:

To achieve the objectives the T & P cell undertakes the following major activities:

1. Training of students
2. Career guidance
3. Placement of students
