SCOPE OF WORKSHOP

Knowledge is light, the guide in learning the way that leads life from falsity to truth, from ignorance to wisdom, from mortality to immortality and for that reason it is value. Since the dawn of culture and civilization in India, education, whether it is primary or higher, has always been a source of gradually cultivating wisdom by acquiring which a human being gets fitness for facing with the challenges of different stages of life and for dedicating to the welfare of humanity. And therefore this workshop aims to emphasis that value education is a more democratic approach that meets the requirements of all the departments of knowledge, different arts and actions of the children's behaviour in an implicit and holistic manner. This approach can develop core skills and provides scope for children to appreciate good deeds, to support right act and finally follow the correct path in a natural and playful manner. The speakers will advocates exposure to mime theatre that helps you to learn discipline, team spirit, leadership, power of observation and concentration that eventually develops them into sensitive human beings, which is the true meaning of education.

ELIGIBILITY

The Workshop is mainly for all Teachers from Colleges affiliated to University of Pune & NSS Volunteers.
