# Journal Club Activities for PG students

### **JOURNAL CLUB ACTIVITY FOR PG STUDENTS**

#### **Introduction:**

A journal club is an educational meeting in which a group of individuals discuss published articles, to keep themselves abreast of new knowledge, promoting in them the awareness of current research findings, teaching them to critique and appraise research, and encourage them to utilize research in evidence based practice of the speciality. A journal club one is simply expected to summarize the research question, the methods, the results and the conclusions and not slavishly read through the article. It is the presenter's interpretation that is more important than actually rehashing the contents of the article.

#### **Scope/Objective:**

1. Discussion and review of current literature.
2. Development of skills for evaluating medical literature.
3. Improving reading habits.
4. Improving small group participation, presentation, and communications skills.
5. Teaching and assessing critical appraisal skills for reading and writing a scientific paper.
6. Providing an interactive and social opportunity for peer to peer learning.

#### **Activities Include:**

1. PPT presentation.
2. Research paper preparation competition.
3. Discussion forum.

### Mentoring System at Modern College Of Pharmacy

Counselling of student is a regular practice of this college, adopted to promote personal and professional grooming of the learners. In the beginning of every academic year, all the faculties have been allotted a group of ten to twelve students of F. Y. and S. Y. B. Pharmacy. The faculty conducts regular counseling/mentoring of concerned students by sharing his/her personal and professional experiences with the learners. The faculty lays stress on developing various skills and overall personality development of the students. Students are also counseled to enhance their competence and confidence by reading and writing news papers, journals and various references to boost analytical skill and develop understanding. By enlarge faculty of this college lays stress on holistic development of learners who would be ethically sound and professionally competent to mitigate the needs of the society.

Student-mentoring has the following aims:

1. To enhance teacher-student interaction.
2. To enhance students' academic performance and attendance.
3. To minimize student drop-out rates.
4. To identify and understand the status of slow learners and encourage advanced learners.
5. To bring slow learner at par with advance learner.
6. To render equitable service to students.
7. To bring out personal and professional grooming of students with relevance to the career development.

**Design and Implementation:**

**System refinement from academic year 2019-20**

- i. The new process has been established from the academic year 2018 - 19. Based upon admission strength of students, group of 10-21 students were assigned to each selected mentor. This faculty will continue to be mentors for the assigned group of students till their graduation.
- ii. Cross Mentoring: Students can contact any faculty regarding academic issues or personal problems with prior appointment. Such mentoring reports will be submitted by the respective faculty in prescribed format.
- iii. Every mentor (faculty) has been informed to maintain the detail records of mentoring meetings & about the all-round development of the students on Vm-EduLife portal.

**Responsibilities:** The mentor will perform the following functions.

1. After collecting all necessary information, mentors are expected to render guidance and counseling, as and when required.
2. Mentors are required to conduct at least one counselling session in two months.
3. Mentors are expected to maintain reports of each session.
4. In special cases, parents are called for counselling/special meetings with the Principal as per suggestion of the mentor.
5. If a student is identified as weak in a particular subject, it is the duty of the mentor to apprise the same to the concerned subject teacher.

**Efficacy of the system**

- ☐ The system brings an interaction among the teachers, students and parents.
- ☐ The system helps to improve the academic performance of the students.

**Notice**

**Date: 06/03/2023**

All students of F. Y. M. Pharmacy are hereby informed that, our college has organized Certificate course on "Hands on Training of Sophisticated Instrument". In this course details, trainings related to laboratory safety/ practical experimental work/ instruments handling will be given to all participant. All must be present during the training session on given date and time.

The details are as follows

**Course duration:** 08/03/23 to 13/03/23

**Topic for training:** Hands on Training of Horiba Particle size analyzer and zeta sizer.

**Place:** Instrumental Lab, 3<sup>rd</sup> floor, MCOP, Nigdi, Pune.

**Date of training:** 13/03/23

**Other Instruction if any:**

**Time slot:** 2.30 pm to 3.00 pm: F Y M Pharm (Pharmaceutical Chemistry department)

3.00 pm to 3.30 pm: I Y M Pharm (Pharmacology department)

3.30 pm to 4.00 pm: F Y M Pharm (Pharmaceutical Quality Assurance department)

3.30 pm to 4.00 pm: I Y M Pharm (Pharmaceutics department)

# National Pharmacy Week activities Conducted by the College

**NATIONAL PHARMACY WEEK ACTIVITIES CONDUCTED BY COLLEGE**

The Indian Pharmaceutical Association (IPA) has been celebrating the National Pharmacy Week every year. The IPA Pune Local branch is one of the active branches of IPA in India. Every year our college works in close co-ordination with IPA Pune branch in celebrating National Pharmacy Week. During the NPW celebration, various competitions and events are conducted for students of Pune region. This is done to create awareness about pharmacy profession amongst public. It also develops students' confidence, knowledge, leadership qualities, organizational capacity and makes them understand the importance of the profession thus to excel in the field. The college hosts different activities of the National Pharmacy Week wherein our students participate as well as co-ordinate in organizing these events.
