1 Alternative sources of energy and energy conservation measures

1. Alternative sources of energy and energy conservation measures

Solar power plant: The institution has facilities for alternate sources of energy and energy conservation measures like installation of Roof-top Solar Plants of 12 kVA capacity. This project was financially supported by Savitribai Phule Pune University. The energy output of solar panels is utilized for the power requirements for the institute.

Solar Panel

Usage of LED Bulbs: LED bulbs are mostly used in campus to save energy. Electric and electronic equipment's are turned off after usage. Over the past few years, the institute management has taken a conscious decision to replace existing lights by LED & CFL sources. LED and CFL bulbs are installed in the institution to conserve electricity and therefore energy. Power output of solar panels is used to supply electricity to LED and CFL bulbs.

2 Management of various types of degradable and non-degradable wastes

2. Management of various types of degradable and non-degradable wastes

Solid Waste Management

Waste is collected on a daily basis from various sources and colour coded dustbins are used for different types of wastes. Students and staff are educated on proper waste management practices through lectures, advertisement on notice boards, displaying slogan boards in the campus.

Liquid Waste Management:

Soak Pit: Waste water generated during the practicals in chemistry laboratory is discharged into specially designed soak pit. Soak pit contains porous layers of bricks, graded stones, sand that helps to treat the waste water and allows treated water to soak into the ground.

Nigdi, Pune-411044

E-waste Management: Old monitors and CPUs are repaired by our technician and reused. The institute has MOU with the ECA (Environment Conservation Association) an NGO working in Pune and PCMC. Institute has tie ups with the local municipal corporation (PCMC) and in support with them institute manages the solid and liquid waste and hazardous chemicals waste management.

E-Waste Management

Biomedical Waste Management: The institute have a tie up with PASSCO environmental solutions, Pimpri which is managed by Pimpri-Chinchwad Municipal Corporation. We follow the waste disposal procedure as per the norms of PASSCO. For the disposal of biological waste, we use 2 types of the bags i.e., red biohazard bag and yellow biohazard bag. Red biohazard bags are used to collect anatomical waste including human body fluids like semen, saliva, tissues, organs and animal carcasses. Yellow biohazard bags are used to dispose of clinical waste like swabs, dressings, tissues, soiled gloves and aprons. These wastes collected from the college were further processed by PASSCO.

PREAMBLE

Environment Conservation Association (ECA) is an NGO registered in 2011. Its official address is Sushreeyas, Sudarshan Nagar, Siddhivinayak Society, Chikhali, Akurdi Chikhali Road, Pimpri-Chinchwad, 411062.

Environment Conservation Association (ECA) is made up of volunteers working to protect and save our Environment, conserve natural resources, spread awareness about Swachhata, curbing pollution, waste segregation, composting, recycling Plastic, Ewaste and other recyclable material, Saving water and Rain water harvesting, renewable energy, biodiversity of plants and animals and living in harmony with nature.

And

Progressive Education Society's Modern College of Pharmacy was established in 1998 at Nigdi, Pune. The college is located in close proximity of the Industrial belt of Pimpri-Chinchwad. The name of society and that of our college, typifies the Society's mission to be "Progressive" in education and "Modern" in technical knowledge.

The college is approved by Government of Maharashtra, All India Council for Technical Education (AICTE), recognized by Pharmacy Council of India (PCI) and permanently affiliated to University of Pune. Under the leadership of Principal Dr. P. D. Chaudhari, the institute is running basic undergraduate course in Pharmacy (B. Pharm) and four post graduate courses in Pharmacy i.e. M. Pharm and Pharm D is a six-year course for doctorate level students.

The National Service Scheme (NSS) Unit of Modern college of Pharmacy has been established during the academic year 2003-04. The college continuously strives for serving the community by frequently conducting various health camps and awareness programmes under National Service Scheme (NSS). In collaboration with University of Pune and Lions Club, health camps were successfully conducted in Shirgaon, Markal, Shivane, Bhose, Nimgaon, Kanhe and many other villages around Pune city.

The NSS unit of this college was headed by Prof A. A. Phatak from 2003 to 2006 and then Prof. U. C. Galgatte from 2006 to 2008, Dr. V. V. Chopade from 2008 to 2015 and Dr. A. S. Tapkir from 2016 to till date. The objectives set by

however are in line with the objectives stated by department of youth and sports affairs ministry Govt. of India. The National Services Scheme unit of this college aims at bringing holistic development of the youth and utilization of youth services to mitigate the social obligation in general.

Rain Water Harvesting: To conserve rain water, the college rooftop and terrace areas have been connected to pipes that channel accumulated water down to the ground level and allowed to seep into the soil. Thus, the college attempts to harvest rainwater into recharging of the borewell and the ground water levels.

Rain Water Harvesting

Bore Well: To get direct access to ground water there's a facility of borewell in the Progressive

Education Society's, Modern College of Pharmacy, Nigdi, Pune-44 premises. This borewell is in a proximity to the pit for harvested rainwater for easy and fast recharge of borewell. To prevent borewell from external damage it is surrounded by walls and an iron covering.

Bore Well

Awareness efforts by college: The college takes enormous efforts to educate students, faculty and staff about the need and importance of water conservation. The college is very keen in arranging various water conservation awareness campaign for the students as well as community through its NSS activities.

4 Green campus initiatives

4. Green Campus Initiatives

The college has been conducting Energy, Green and Environment Audit through a government approved agency every year.

The deliberate efforts taken by the college to keep the campus environment friendly the college have developed the following facilities;

Digital Library

The college has developed digital library facility to promote use of electronic learning materials. This reduces use of hard bound and paper-based learning materials.

Paperless Operating Procedure

The college has started class wise and department wise What's App groups to promote e-communication and to reduce the usage of papers in notices and circulars. The faculty shares study materials on e-platform and asks the students to complete e-assignment in the form of presentations in tutorial classes to avoid massive use of papers. The college uses various software like ERP software for office work, Autolib for library, VM edulife as a LMS, Talley software for daily accounting, this supports the paperless work.

POLICY FOR DIFFERENTLY ABLED PERSONS

PREAMBLE

People with disabilities can move about freely and safely in a barrier-free environment and take advantage of the amenities in the built environment. The purpose of barrier-free design is to create a setting that supports people's autonomous functioning so they may take part in daily activities without help.

The Government of India formulated the National Policy for Persons with Disabilities in February 2006 which deals with Physical, Educational & Economic Rehabilitation of persons with disabilities.

The National Policy recognizes that Persons with Disabilities are valuable human resource for the country and seeks to create an environment that provides them equal opportunities, protection of their rights and full participation in society.

The institute created special facilities such as ramps, rails and special toilets, and make other necessary changes to suit the special needs of differently-abled persons to ease the mobility of person with disability

POLICY OBJECTIVE

It is Institute commitment to provide inclusive education to differently-abled by creating physically and socially barrier free environment.

- 1.To create all together culture to avoid discrimination, exploitation and exclusion of the disable students and staff.
- 2.To ensure full participation of persons with disabilities and to provide them the equal opportunities for development.
- 3.To protect their rights and promotion of a positive mindset towards the students with disabilities
- 4.To provide adequately and appropriately support in and out of the classroom with the right resources, teaching staff and college communities that are responsive to their needs.

INSTITUTIONAL FACILITIES

Institute has provided following facilities to differently abled students, staff members and guests visiting the campus.

Provision for the Assistance

The maps and sign boards are displayed on every floor of the institute to make the passage of the visitors and students easy and convenient. The institution has made the provision of the enquiry and information for the human assistance to the students and visitors.

Examination

Special arrangement should be given for examination such as writers /extra time implemented without hurdles. Additional Twenty minutes to be given for per one hour question paper to handicapped, blind and learning disable students as per Savitribai Phule Pune University guideline.

The writer to be appointed must not have passed the examination at which he is appointed to work for the examination. The concerned writer should not be first relative with Examinee, i.e. Mother-Father, Sister-Brother, Paternal and Maternal Uncles per Savitribai Phule Pune University guideline.

Wheel chair

A wheel chair facility with an attendant is available for facilitating hassle-free movement within the campus.

Ramp

Ramp facility is provided at strategic locations in the campus for the safety of differently abled having access to the class rooms, laboratories, washrooms, library. The campus is well connected with pathways and ramps and lifts which are disabled friendly.

Lift

The Institute building has Lift facility which can be used by differently-abled on priority basis, to facilitate easy and comfortable movement inside the campus

Disabled - friendly wash rooms

7.1.2 Green Campus Initiatives Policy

PROGRESSIVE EDUCATION SOCIETY'S
MODERN COLLEGE OF PHARMACY

POLICY
FOR GREEN CAMPUS INITIATIVES

GREEN CAMPUS INITIATIVES POLICY

PREAMBLE

The Modern College of Pharmacy, Nigdi, Pune, outline its support for environmental sustainability and responsible energy use in this policy paper. A "green campus" is a setting where environmental practise and instruction coexist. Green campus initiatives include purchasing environmentally friendly equipment, utilising natural resources, developing environmental awareness through extracurricular activities, and removing waste materials using proper segregation techniques without harming the environment.

These Strategies must be included in institutional planning in order to create a clean and environmentally friendly campus. The goals of this policy are to develop an environmentally sustainable campus and promote environmental stewardship among faculty, staff, students, and the community.

OBJECTIVE

- To take energy conservation measures
- To identify and segregates different types of waste.
- To make the campus plastic free.
- To minimize the use of paper
- To encourage students to keep environment clean.
- To use rain water harvesting for water conservation
- To conduct green and energy audits from time to time.
- To conduct awareness programmes for environmental issues in and out of the campus.

ENVIRONMENTAL POLICY OF THE COLLEGE

Energy Use and Conservation

Solar power plant: The institution has facilities of Roof-top Solar Plants of 12 kVA capacity as alternate sources of energy. which is useful for the power requirement of institute's low range equipment's like lights, fans etc. LED bulbs are mostly used in campus to save energy. Electric and electronic equipment's are turned off after usage

Usage of LED Bulbs: LED and CFL bulbs are installed in the institution to conserve electricity and therefore energy. Power output of solar panels is used to supply electricity to LED and CFL bulbs.

Waste Management

Solid Waste Management: Waste should collect on a daily basis from various sources. Colour coded dustbins are used for different types of wastes. Students and staff are

educated on proper waste management practices through lectures, advertisement on notice boards, displaying slogan boards in the campus. Institute has tie ups with the local municipal corporation (PCMC) and in support with them institute manages the solid and liquid waste and hazardous chemicals waste management. For **Biomedical waste management** The institute has a tie up with PASSCO environmental solutions, Pimpri.

E-waste management: Old monitors and CPUs should be repaired by technician and reused. The institute has MOU with the ECA (Environment Conservation Association) for e waste collection.

Ban on Single-use Plastics on the Campus

Institute has banned the single use of plastic in the campus.

Paperless Operating Procedure

WhatsApp group class wise, department wise, is prepared for e communication to reduce the usage of papers in notices and circulars. Study material is shared on e-platform and e-assignment is given to students in skill-based tutorial classes like presentation to avoid massive use of papers. Different software like ERP software for office work, Autolib for library, VM edulife as a LMS, Talley software for daily accounting is used to reduce paper work.

Landscaping with Trees and Plants

Institute has medicinal Garden where variety of medicinal plants are cultivated and nurtured so it help to clean the atmosphere.

Rainwater harvesting

Rain water from our terrace is collected and the tube wells are recharged.

Air Pollution Management Clean Air Initiatives

Restricted Use of Automobiles: College employees and students are encouraged to frequently use public transport, bicycles, electronic Vehicle to limit the emissions. CNG bus facility is provided to Pharm D students for hospital visit.

No Smoking Campus: Institute is completely free from smoke and tobacco, smoking and chewing of tobacco is strictly prohibited in the college.

Green Audit, Energy Audit, Environment Audit

Green audit, Energy Audit, Environment Audit should be conducted on yearly basis to identify, quantify, describe and priorities a framework of Environment Sustainability in compliance with the applicable regulations, policies and standards. Full time staff should be appointed for the maintenance of clean and Green Campus.

Organization of sensitization programmes

NSS department should organize various awareness programme in and out of the campus. Environmental promotion activity, awareness campaigns should be encouraged to facilitate effective implementation of the Green Campus, Energy and Environment policies.
