

Online seminar on “New products and applications in hard capsules”

jointly organized by

Modern College of Pharmacy

and

ACG Capsules Pvt. Ltd.

On

6<sup>th</sup> July 2020

Modern College of Pharmacy believes in strengthening industry-academia interaction to provide the best atmosphere for learning and research to our students. With this aim we have collaborations with several industries. Under the same initiative we collaborated with ACG Capsules Pvt. Ltd. for this online seminar on recent developments in capsules. Three representatives of ACG Capsules Pvt. Ltd., shared their expertise in capsule technology with the participants. Following topics were discussed by the speakers

**Ms. Anita Solanki**, Senior Executive, in Formulation R & D at ACG Capsules Pvt. Ltd. introduced ACG Capsules Pvt. Ltd. to the participants. Her technical discussion included introduction to hard capsules, regulatory requirements of empty hard capsules and innovations in hard capsules

**Ms. Dorene Almeida**, Senior Executive, in Formulation R & D at ACG Capsules Pvt. Ltd. and **Dr. Jnyanadeva Bhat**, General Manager-Product development at ACG Capsules Pvt. Ltd. discussed new delivery solutions in capsules.

The seminar was conducted in an online mode using Microsoft teams. Participants included students of T.Y B.Pharm, Final Year B.Pharm, all M.Pharm students and teaching faculty of our college.

The seminar was appreciated by all the participants. It enriched our knowledge about capsule technology. The event was coordinated by Dr. Mrs. K S Shaikh and convened by Principal Dr. P D Chaudhari.
