

P. E. Society's Modern College of Pharmacy, Nigdi

Phule Pune University Sponsored

One Day State Level Seminar on “Current advances and applications of Pharmaceutical analytical techniques” on 13th January 2018

Schedule

| Time | Topic | Name of Speaker | Organization |
|---------------------|--|--------------------------------------|---|
| 9:00 am to 10:00 | Registration & Breakfast | | |
| 10:00 am to 10:30 | Inauguration, Saraswati poojan and felicitation of guest | Dr. P.D. Chaudhari Dr. S.B Jadhav | ---- |
| 10:30 am to 12 pm | Role of analytical chemist in pharmaceutical chemistry | Dr. Santaji Nalawade | Director, Callidus Research Labs, Pune |
| 12.00 pm to 1.00 pm | Current advances of chromatographic application in pharmaceutical analysis | Dr. Omkar Sherikar | Research Scientist ADDs Analytical, Lupin Research Park, Pune |
| 1.00 pm to 2.00 pm | Lunch Break | | |
| 2.00 pm to 3.00 pm | Regulation challenges for BABE studies | Dr. Niranjan Galpalli | Research Scientist Lupin Bioresearch centre, Pashan, Pune |
| 3.00 pm to 4.00 pm | Analytical Techniques for Biosimilars | Dr. Ravindra Badhe | Associate Professor, Department of pharmaceutical chemistry, Padm. Dr. D.Y. Patil IPSR, Pimpei, Pune |
| 4.00 to 5.00 pm | Valedictory function | | |

Inauguration

Seminar by Dr. Santaji Nalawade

Seminar by Dr. Omkar Sherikar

Seminar by Dr. Niranjan Galpalli

Seminar by Dr. Ravindra Badhe

Valedictory function
